Unusually Large Crowds Attended Baptist VB School

More than two hundred students attended the Vacation Bible School just concluded at the Canal Point Baptist Church, setting an all-time record, according to the pastor, Rev. Lawrence Stewart. Graduation exercises were held last Friday following the ten day course that average more than 150 students daily.

Perry Hall is superintendent of the Sunday School and it was this department of the church that sponsored the Bible school. At the graduation exercises, handwork of the students was on display.

The Bible school has been held regularly for the past 20 years. The pastor pointed out that classes were held from 8:30 in the morning until noon.

Rev. Stewart was warm in his praise for each and every person who participated in the work of conducting the school. He pointed out that its success could not have been assured without this splendid cooperation.

Circle "S" Drugs Is New Pahokee Store To Open Nov. 1st

Pahokee is to have a new drug store around November 1, if present plans of Frank Seides materialize according to schedule. He plans to open the Circle "S" Drug Store on that date in a new building being erected next door to the Pahokee Army Store.

The building is to be a thoroughly modern structure 40x75 feet and is being erected under the supervision of Gene Pickren, Pahokee builder.

Mr. and Mrs. Seides and their two children have moved into a house owned by Johnny Wilson across the street from the Pure Oil Station. Mrs. Seides is a niece of Herman McGrill, owner and operator of the Pahokee Army Store who is having the new building erected for the drug store.

Rardins Round Out 31 Yrs. Canal Point

"Thirty-one wonderful years!" That's the way Mr. and Mrs. Paul Rardin on Tuesday of this week described their more than three decades of residence in Canal Point.

During those years Mr. Rardin served in public office 22 years of the 31. He served two years as state representative in the Tallahassee legislature and 20 years as the Glades member of the Palm Beach county commission.

And during most of that time Mrs. Rardin has served as pianist for the Canal Point Baptist church where she takes an active part in church work.

Through the years since coming to Canal Point, Mr. Rardin has been editor and publisher of The Everglades News which was established ten years before his arrival.

Water May Be Off As Line Put Down

Henry Kautz, of the local water company said yesterday that water may be off at different times in the Lake Shore Drive area while the new water main is being installed. "It is impossible to install the new main and keep the water flowing at the same time," Mr. Kautz said. He pointed out that the interruptions would be for only an hour or so at a time until installation of the new six-inch main is completed.

Thurmond Knight Closes \$5 Million Okeechobee Deal

A five million dollar real estate deal was closed by Thurmond Knight of Knight Realty Company of North Palm Beach on August 23 when Okeechobee, Inc., sold out to Azalea Meats, a South Carolina corporation. The deal was closed in Miami, Mr. Knight said.

Large scale development of the 52,000 acre ranch is planned according to President Andy Griffith who also said that the ranch is being stocked as rapidly as pasture can be provided.

Much of the land has been leased in the past to tomato growers of the Ft. Pierce area, and Mr. Griffith says this will be continued, and perhaps expanded, in order not to upset growers plans.

Mr. Griffith also will continue leasing the property to the State, for game conservation purposes, in order that the hunters of Florida will continue to enjoy hunting privileges on his land.

The deal was handled by Thurmond Knight, "Accredited Farm and Land Broker", representing the buyer, and the seller was represented by Realtor "Baltic" Montgomery, of Ft. Pierce.

Unity Farms House Bought By Hatton

Unity Farms, Inc., packing house located on Farmers Market Road in Pahokee has been purchased by Joe Hatton, Inc., according to an announcement by Joe Hatton, Sr., head of the produce firm. The house will handle and process corn, potatoes, cucumbers and squash. Repairs are being rushed on the packing plant to put it in shape for the coming season.

Mr. Hatton points out that with favorable weather he hopes to have corn for the northern market not later than October 5. From the looks of the corn growing in many areas around Pahokee and Canal Point this date is just about right.

Corn in all stages of growth up to knee high can be seen on Hatton Highway this week. Celery is also being set alongside that same county road.

NEW CHURCH BUILDING

A sign on a lot south of Adams Store on Bacom Point Road says: "Future Home of Pahokee Baptist Mission. Now meeting in the Woman's Club building."

Lake Shore Drive Water Service By New 6-Inch Line

Water customers on Lake Shore Drive in Canal Point, who through the years have fussed because of low water pressure, have a treat in store for them within the next few weeks, according to Henry Kautz, manager of the recently inaugurated South-eastern States Utilities concern now operating the local water plant.

Announcement was made recently by Mr. Kautz who was president of Canal Point Utilities, Inc., that the plant and distribution system had been sold to the aforementioned concern with head offices in Bridgeport, La., and a Florida office in Fort Lauderdale. The new owners took over on July 30.

This week workmen have been busy distributing new 6-inch pipe between the Canal Point Department store and the Palm Villas Tourist Court alongside of Highway US441—the road to Pahokee. Underground installation of the new pipe was scheduled to get underway this week, Mr. Kautz said.

The new pipe will give the customers on the Shore Drive a new and higher water pressure not heretofore enjoyed in that particular section of Canal Point. How the plumbing, installed many years ago, will stand up under the new water pressure will be determined in a few days when the new service is available.

Canal Point School All Set For 1965-66 Year, Opens Mon.

Emergency measures will be used until the full complement of teachers has been made available. Mrs. Rita Faye Hooks will be in the office as the new school secretary.

Mrs. Janice Harrington has joined the teaching staff as new fourth grade teacher and Mrs. Mildred McParland, new fifth grade teacher.

Mrs. Walston and Mrs. Huddle will teach overflow classes until the two new teachers needed are obtained. Then Mrs. Walston will resume remedial teaching and Mrs. Huddle will return to her work as librarian.

Two hundred and fifty new doctors have been graduated from the University of Florida's College of Medicine in the J. Hillis Miller Health Center since its first graduating class in 1960.

Mr. and Mrs. J. V. Thomas and Mrs. Bob Meyer and son Butch spent the weekend in Ft. Myers.

First and second grades will be taught by Sandra Gay, June graduate of Florida State University; third and fourth grades by Ann Washburn, also a June FSU graduate, Griffith will teach fifth grade; and Harold Williams, holder of a master of arts degree from FSU, will teach sixth and seventh grades.

Executive board of the school is composed of the following: Joe Tom Boynton, Mrs. Edgar Wilder, Mrs. Robert Apelgren, Mrs. Ellis Wilkinson, all of Pahokee and Fritz Stein of Belle Glade.

The Everglades Memorial Hospital Auxiliary will hold a work-business meeting at the new hospital on August 31 beginning at 9:30 in the morning. This will be the first meeting of the new year, according to Mrs. Grace Maxson, president of the auxiliary.

The work part of the program will be hanging draperies at the new hospital. The auxiliary has raised about \$1,500 for draperies and have made more than 60 pairs already.

At the business meeting a number of important items are on the agenda. Mrs. Maxson said this week that she hopes every member will attend and come prepared to spend the entire day at the business meeting and the work afterward. Mrs. Maxson said Mrs. Allie Okie, board chairman, and J. C. Simonds, hospital administrator, will both be present to go over the plans for the open house which is scheduled for early September. Auxiliary members will be asked to participate in this event.

C. G. "Windy" Willis Retires After 46½ Years Service With Atlantic Coast Line

After 46½ years of service with the Atlantic Coast Line Railroad, C. G. "Windy" Willis of Pahokee will retire August 31—next Tuesday. Mr. Willis went with the Coast Line back in 1919 and has been working regularly ever since that date. At present his office is in Belle Glade and Pahokee but he served the company in Winter Park, Tampa and Plant City before coming to the Glades where he has been commercial agent.

During the 46½ years that he has been with the company all of the time has been served with the transportation department with the exception of seven years in other departments.

Mr. Willis and his family, his wife, Peggy, a teacher in Pahokee schools; a son, Bill, and a daughter, Virginia, live in their home at 462 South Second Street.

Mr. Willis is in receipt of a letter of commendation from Philip

J. Lee, vice president of the Coast Line with an office in the general office building of the Coast Line at Jacksonville. The contents of the letter follow:

"Dear Charlie:

I have your letter of August 11, advising me that you plan to retire on August 31.

After more than 46 years of outstanding service to the company, and in the light of the advice you say you have received from your doctor, I feel you are doing the right thing in your own interest, and I am sure your decision is a sensible one.

So far as Coast Line is concerned, however, I am afraid that Pahokee may never be the same again. The 30 years in which you have represented us in that territory have certainly made you "Mr. Coast Line" in all that area, and you have won not only the gratitude of the Coast Line but of the population generally by the manner in which you have lived and helped Coast Line and its many patrons in the Lake region. The Coast Line feels very proud of you as a representative and as a citizen, and I think you can take pride and satisfaction in your accomplishments.

There are few people for whom I have a warmer and closer feeling than you. This feeling is something that did not develop suddenly but came upon me gradually over the years in which you and I worked closely together, and I want you to know that I appreciate your friendship and your helpfulness deeply. My association with you is something that I have cherished in increasing measure, and I shall certainly hope that in the years to come I will have the good fortune of seeing you frequently.

In your retired status, I hope that you will enjoy many years of contentment and that your release from the pressures of active service will be of benefit to you.

With sincere good wishes, I am,
Cordially yours,
Philip J. Lee,
Vice-Pres. Atlantic Coast Line."

APPRECIATION

We hope this small token of our gratitude to the people of Pahokee will be taken as we extend it... as an expression of our sincerest appreciation and deep thankfulness for the many kindnesses extended to us at the time of the burning of our home and possessions a few nights ago. You have been so very good to us that we shall always remember our kind friends.

We express our very special thanks to Miss Judy York and Deputy Sheriff Curtis Sloan who both arrived on the scene just in time to beat down our door and get us out. Without their help it is very likely that we would have been seriously burned or killed. We express our sincerest gratitude to both.

Mr. and Mrs. I. G. Thompson.

Miss Patricia Stewart

Rev. and Mrs. John Stewart of Enterprise, Alabama, announce the engagement and approaching marriage of their daughter, Patricia Rae, to John Waldron Meadows of Cottonwood, Alabama. The living room of the parsonage was beautifully decorated for the event, featuring a floor basket of gladioli, fugal and button mums and was lighted by white cathedral tapers in two graduated candelabra entwined with fern.

The bride is the daughter of Mr. and Mrs. Horace Unwin of Pahokee and the bridegroom is the son of Mr. and Mrs. Glover Deas, Sr., of Moultrie, Georgia.

James Batchelor sang "I Love You Truly" and "The Wedding Prayer" accompanied by Mrs. Don Thompson, pianist, who also played the traditional nuptial selections.

Miss Becky Mackey as maid of honor and the bride's only attendant, wore a two piece street length gown of turquoise satin with bodice overlaid with dotted swiss,

Edward Crews served as Mr. Deas' best man.

The reception following the wedding was held at the home of Mr. and Mrs. Lester Hamd, with Mr. and Mrs. Sam McKinstry, Jr., as co-hosts. The table, covered with white lace, was lighted with white tapers in silver candelabra with decorative arrangements featuring white fugal mums and fern in a silver bowl. New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones
you own now are better than ever*

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $1\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00); \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

Their gowns were fashioned identically to that of the maid of honor, and each carried a cascade of lemon yellow shasta daisy pompons.

Escorted to the altar and given in marriage by her father, the bride was beautifully attired in a floor-length gown of silk organza over taffeta. The fitted bodice, embroidered with Alencon lace and pearls, was fashioned with scoop neckline and the long sleeves were pointed over the wrists. The bell skirt featured apron effect lace appliques. The chapel train was attached at the back waistline. Her elbow-length veil of French illusion fell from a matching rosette headpiece. She carried a cascade of white tea roses and stephanotis centered with a white cattleya orchid.

among the guests at the close of the ceremony.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

50,000 Students To Begin School Year On Mon. Morning

More than 50,000 Palm Beach County children will be beginning the 1965-66 school year, Monday, when the school doors swing open after the summer vacations. This year, approximately 2,100 Negro students will be attending classes in 31 schools which once were all-white facilities, though several of them have had some desegregation previously. This represents better than one-in-eight of the total county Negro student population.

The county will start this year with 87 schools of grade one through 12. This is four less than last year due to the phasing out of small "pocket" schools. However, the county will have one new senior high school—The John I. Leonard school in the Lake Worth area—and a total of 50 additional new classrooms, when schools start August 30. More schools and additions to existing facilities are under construction.

Palm Beach County's instructional force will have increased from approximately 2,400 last school year, to 2,600 this year. Beginning salaries for classroom teachers have been raised from \$4,600 to \$5,000, and a uniform 7½-hours a day, countywide, established.

For students, county school board policy prohibits "Beate" type haircuts for boys, and requires mid-knee length dresses for girls. A state legislative act outlawed smoking in or around school property, or on school busses.

Mr. and Mrs. Edgar Wilder and daughters have returned to their home in Pahokee after spending the summer with her mother, Mrs. Bennett, in Hendersonville, North Carolina.

Mr. and Mrs. Murray Weeks of South Bay visited his parents in Pahokee Sunday. His father is a patient at Everglades Memorial Hospital.

Rachel J. Collier Weds J. R. McElhenny

Miss Rachel Jane Collier became the bride of James Ray McElhenny in a ceremony August 16 at the First Baptist Church in Belle Glade. Rev. Jack Ponce performed the double-ring ceremony in front of candelabra holding 15 burning tapers and graced on each side by palms.

The bride is the daughter of Mr. and Mrs. Barney E. Collier of Belle Glade. She graduated from Belle Glade High School in 1964, later becoming a Palm Beach Junior College student. She is employed at Harris Insurance Agency.

The bridegroom is the son of Mr. and Mrs. G. C. McElhenny of Pahokee. He graduated from Pahokee High School in 1962 and is now a Corporal in the U. S. Marine Corps.

The bride, given in marriage by her father, wore a two piece linen suit with lace embroidered top. She carried a cascade of white champagne carnations in the shape of a cross.

Mrs. Johnny Busbee of South Bay served as matron of honor. She wore a mist green two piece crepe suit and carried a cascade of California Shasta daisies. George McElhenny of Emory University served as his brother's best man.

Immediately after the wedding a reception was held at the home of Mr. and Mrs. Junius T. Harris. The bride's table was overlaid with a white embroidered cloth over yellow, centered with a bouquet of roses. The crystal punch bowl was at one end and a four-tiered colonnade cake at the other. The cake was topped by a miniature bride and groom.

Those assisting Mrs. Harris were Mrs. Howard Lamb, Mrs. Doss Tabb, Miss Junie Harris with Miss Judy Sellar at the bride's book.

Shirley Circle To Meet Next Tuesday

Members of the Gertrude Shirley Circle, Pahokee Methodist Women's Society of Christian Service, held a social meeting at the home of Mrs. Ernest Maxwell Tuesday, August 24. Husbands were invited as guests.

Fred O. Dickinson New Comptroller

Former Palm Beach County State Senator Fred O. (Bud) Dickinson was appointed state comptroller Wednesday by Gov. Haydon Burns. The new appointee will succeed Ray Green who resigned

effective Sept. 1 because of ill health.

When Burns picked Dickinson for the spot vacated by the resignation of Comptroller Ray Green, he got an ex-Marine Corps officer who speaks in an oratorical style he was practicing in Guadalcanal foxholes two decades ago.

The governor also chose a man who doesn't smoke or drink "so these things don't sap my energy."
